Education

SSLC Jun 2016 - Mar 2017
R. C Morning Star High School, Kumbakonam

HSLC Jun 2017 - Mar 2019
Banathurai Higher Secondary School, Kumbakonam

DEGREE Jun 2019 - Jul 2022
Mass College Of Arts And Science, Kumbakonam

Objective

★ Dedicated and detail-oriented Data Annotator with a strong understanding of data labeling techniques and a passion for ensuring data accuracy. Seeking to leverage my expertise to contribute to a dynamic team in a challenging data annotation role.

★ Motivated and detail-oriented professional with Three year of experience in Data Annotator Seeking a challenging role to leverage my skills and contribute to Company/Industry Growth.

Certification

Soft skill May 2022
Certificate of Completion

★ This is to certify that Dinesh Kumar G has successfully completed the Soft Skills Workshop.

★ Conducted by: sri saraswathy soft skill academy.

★ Year Of Completion : May-2022]

★ Duration: [One Week]

★ This workshop equipped the participant with valuable soft skills essential for personal and professional growth, including but not limited to effective communication, teamwork, problem-solving, and leadership.

WCSC-VISION FOR WISDOM ACADEMY Jul 2017
Yoga Class Experience

★ Completed a comprehensive yoga course at Wisdom Academy's WCSC-VISION program.

★ Developed a strong foundation in various yoga styles, including Hatha, Vinyasa, and Ashtanga.

★ Gained proficiency in meditation and mindfulness techniques to enhance overall well-being.

★ Improved flexibility, balance, and stress management through regular yoga practice.

★ Demonstrated discipline and commitment by attending weekly classes and maintaining a consistent practice schedule.

2D worked Projects

- Segmantic Segmentation
- Conti-SS
- Micro-organisms
- Conti-OD
- Parking-Top-view & view
- LSR

3D Worked Projects

- Arriver(VPTW,PTW)
- DWC
- Kanazava
- Hittachi
- TLR
- Playment
- Eternal
- Vehicle
- VRU- pedestrian and Two-wheelers

Programming Skills

- Html
- Css
- Java script

Hobbies

- Cricket
- Video editing
- Kerom
- Chess
- Video Games

Tool Experience

- UAI TOOL
- CANVAS
- ANNOTATE.AI
- GT.Studio
- Kognic
- Labeling.img

Professional Experience

Quality Cheker

Jul 2022 - Sep 2023

[Up2Datez, Kumabakonam](#)

- ★ Accurately annotated and labeled diverse datasets according to project requirements.
- ★ Maintained high-quality standards by conducting regular data quality checks and revisions.
- ★ Collaborated effectively with cross-functional teams to ensure project milestones were met.
- ★ Utilized annotation tools and software to enhance labeling efficiency and consistency.
- ★ Adapted quickly to new data annotation guidelines and techniques.
- ★ I have Collaborated with data scientists and project managers to meet annotation project goals.
- ★ Utilized annotation tools was used to label various data types.
- ★ Communicated and reported progress on annotation tasks regularly.
- ★ Demonstrated strong attention to detail and consistency in all annotation tasks. Contributed to the improvement of annotation processes and workflows.
- ★ Assisted in training new data annotators on best practices and project-specific guidelines.

Process associate

Nov 2023 - Present

[Vista engineering solutions pvt limited, Coimbatore](#)

- ★ Performed high-quality data annotation tasks for computer vision and NLP projects, ensuring accuracy and consistency across datasets.
- ★ Reviewed and validated annotated data for quality assurance, following project-specific guidelines and client requirements.
- ★ Collaborated with annotation teams to identify and correct labeling errors, maintaining a high standard of data integrity.
- ★ Used internal tools and platforms to track progress, manage workflows, and submit completed tasks within deadlines.
- ★ Provided feedback and suggestions to improve annotation guidelines and optimize workflow efficiency.
- ★ Maintained detailed records of annotations, audits, and corrections to support training and machine learning development.
